

Approved: Initial Governing Board Composition

On March 7, 2017, the ILC approved the following list of members to serve on the ACH's new Governing Board.

Providers / Payers	Recommended Member
Primary care provider (1 seat)	--
FQHC (1)	Teresita Batayola
Hospital, health systems (3)	Elizabeth 'Tizzy' Bennett Elise Chayet Preston Simmons
BHP, including 1 substance use provider (3)	Molly Carney David Johnson Daniel Malone
Managed care organizations (1)	Amina Suchoski
Local public health (1)	Patty Hayes
Government	
King County (1)	Adrienne Quinn
City of Seattle (1)	Jeff Sakuma
Suburban area (1)	Erin Sitterley
Community / Consumer	
Community-based equity network/consumer (3)	Roi-Martin Brown Shelley Cooper-Ashford Marya Gingrey
Tribes	
King County tribes (2)	Pending applications
Urban Indian Health Board (1)	Esther Lucero
Community Based Organizations (Social Determinants of Health)	
Housing (1)	Betsy Lieberman
LTC services/supports (1)	Maureen Linehan
Non-profit social service orgs (2)	Steve Daschle Jihan Rashid
Philanthropy (1)	Pending application - TSF
At-large (1)	Sarah Rafton

King County ACH Project Planning Update March 7, 2017

CURRENTLY INTERESTED PARTIES

Transformation Projects

REQUIRED CAPACITY BUILDING

- Regional Health Needs Inventory
- Value-based purchasing task force
- Workforce development task force

REQUIRED PROJECTS

- Physical/ behavioral health integration
- Opioid use as a public health crisis

OPTIONAL PROJECTS

(must choose one from each category)

Care Delivery Redesign

- Care Coordination
- Transitional Care
- Diversion Interventions

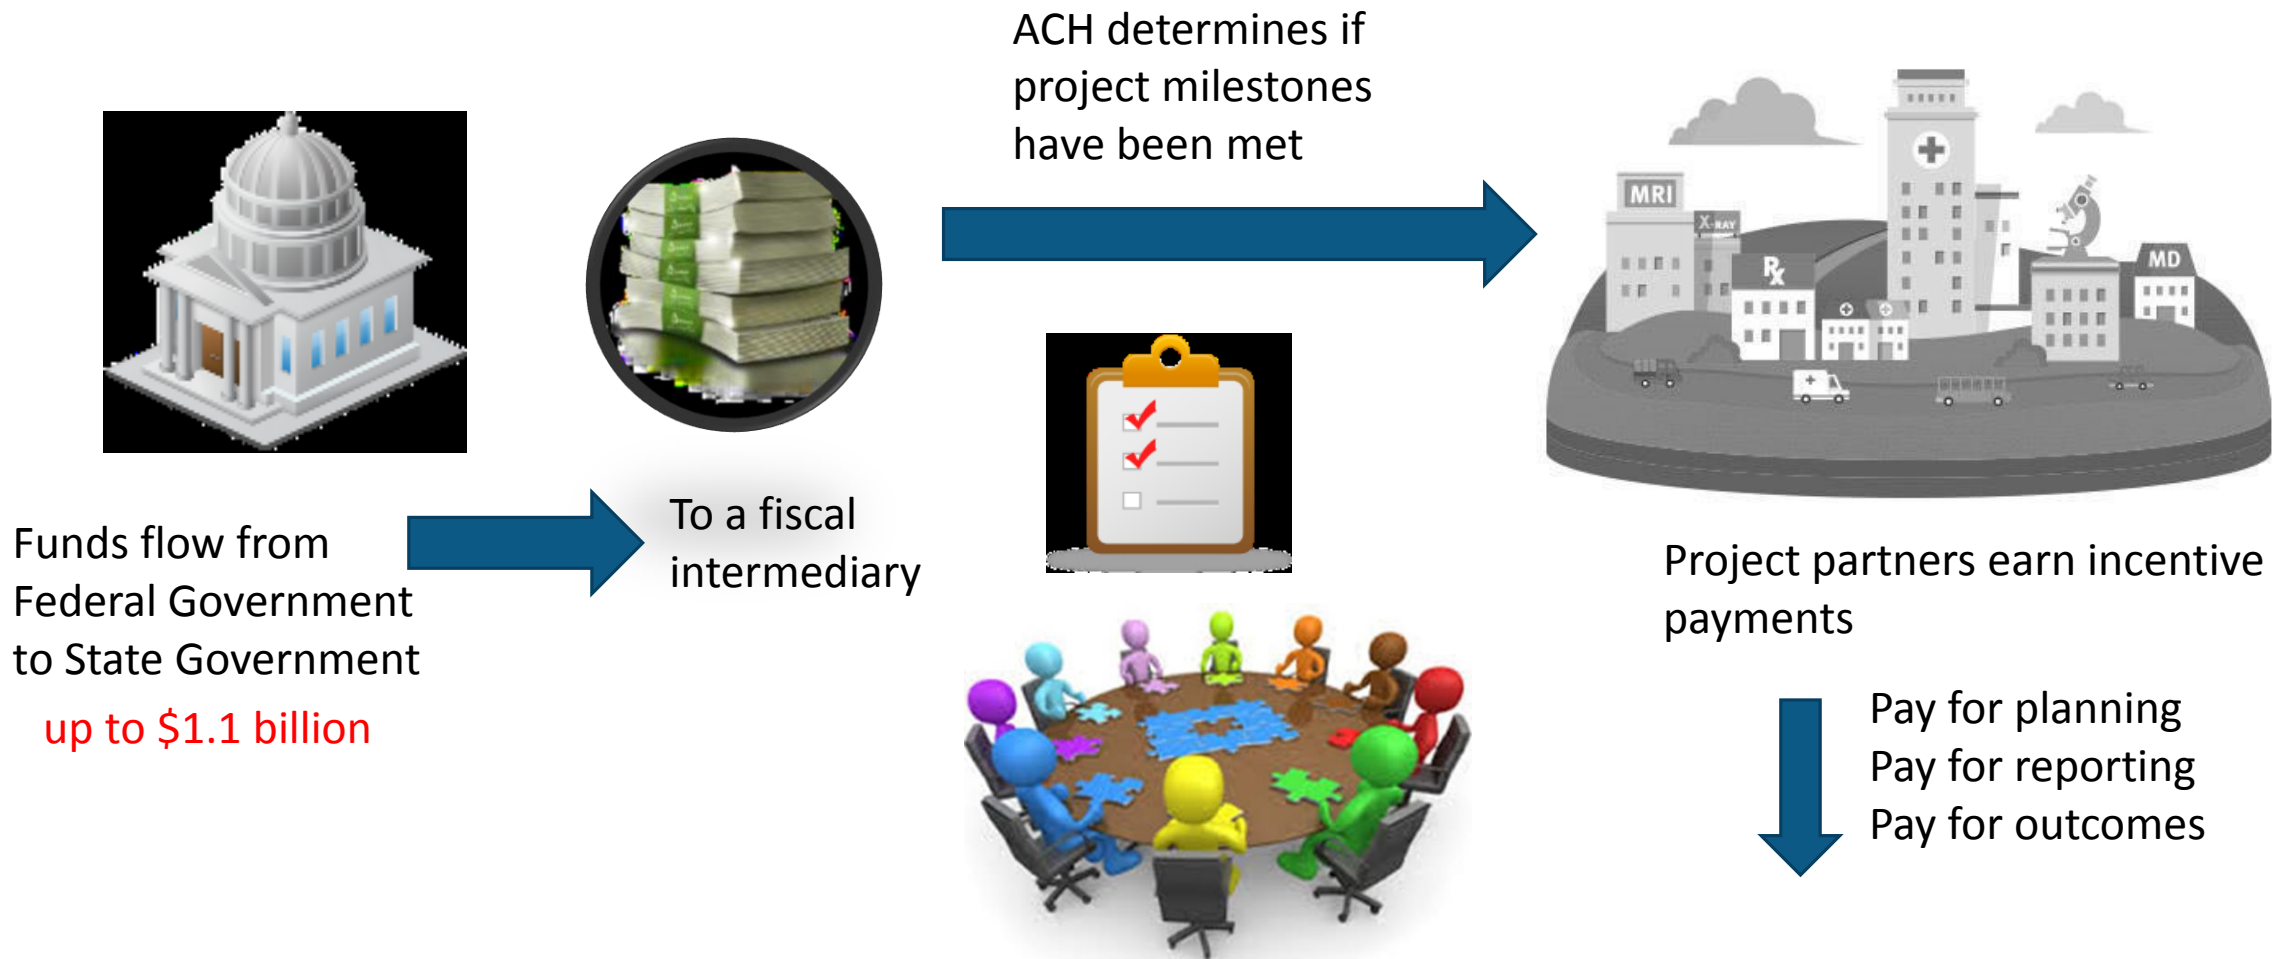

Prevention and Health Promotion

- Chronic Disease Prevention/Control
- Maternal and Child Health
- Oral Health Services

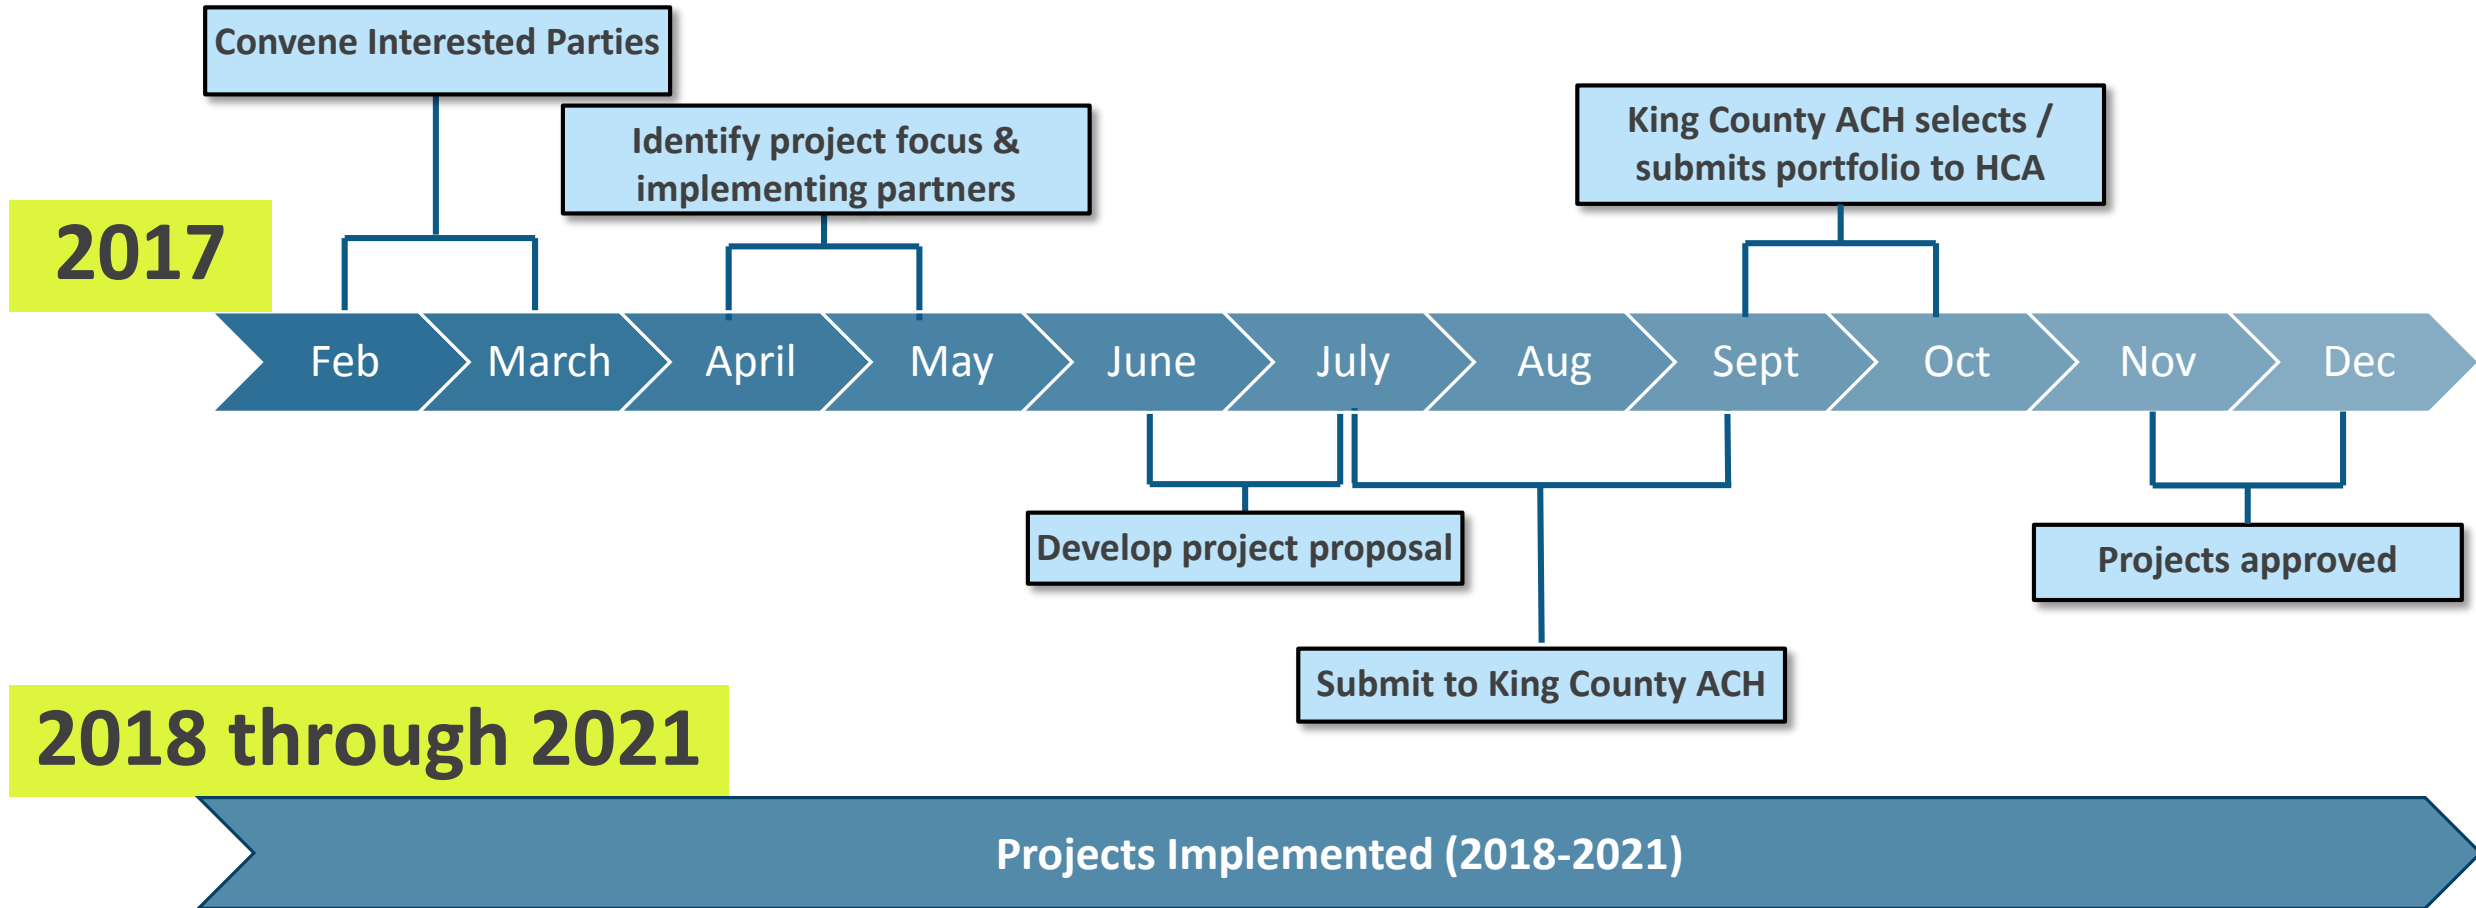

Projects: Information Sharing Sessions

Project	Conveners – confirmed & potential	Support Staff	Next Steps
REQUIRED			
Physical & Behavior Health Integration	PBHI Design Committee	Liz Arjun, DCHS	2/21 meeting, follow-up TBD
Opioid Use as a Public Health Crisis	Heroin and Prescription Opiate Addition Task Force	Steve Gustaveson, DCHS	2/27 meeting, follow-up TBD
OPTIONAL			
Care Coordination	Foundation for Healthy Generations	Marisel Torres Mehdipour, PH	1/23 Pathways Hub presentation, meeting likely in April.
Transitional Care	Aging and Disability Services	Ingrid McDonald, PH	3/23 meeting 9am – 11am Valley Medical Center, 400 S. 43 rd MAC A Renton
Diversion Interventions	Familiar Faces Steering Committee	Travis Erickson, PH	Steering committee will form sub-group who will convene info sharing meeting
Chronic Disease Management & Prevention	Center for Multi-Cultural Health, Seattle Children's	Marisel Torres Mehdipour, PH	Meeting likely in April
Maternal & Child Health	Best Starts for Kids Stakeholders	Jen DeYoung, PH	Meeting likely in April
Oral Health	WA State Dental Foundation	Gena Morgan, PH	3/8 meeting 4pm – 6pm Swedish Medical Group 800 5 th Ave., 8 th Floor Seattle

Fund Flow

Process and Time-line for Projects

Project Planning Parameters

- Proposal template and “up to amount” of funding available to KCACH will be available soon.
- Projects must be consistent with focus, recommended partners, evidence based approaches, outcome measures outlined in the Tool Kit.
- Projects must reflect need (RHNI), address workforce & accelerate VBP.
- Projects must not duplicate existing programs must be feasible and in alignment with strategic goals.
- Intent is negotiated impactful strategies engaging cross-sector partners vs. “1,000 points of light.”

Project Structure

Phase 1: Planning

Phase 2: Implementation

Phase 3: Scale & Sustain

Required Project #1:

Physical and Behavioral Health Integration

Focus	Target Groups	Outcome Metrics	Evidence Based Approaches
<ul style="list-style-type: none">• Fully integrated physical and behavioral health through managed care, prior to 2020.	<ul style="list-style-type: none">• Medicaid clients with or at risk for:• Behavioral health conditions• Mental illness• Substance abuse disorders	<ul style="list-style-type: none">• overuse measures• behavioral health measures• physical health measures• patient experience	<ul style="list-style-type: none">• Patient-centered medical home model• Collaborative care model• Improving Mood – IMPACT model

Physical and Behavioral Health Integration: Interested Parties (2a)
